ABOUT US

ABOUT THE WOODLAND EDUCATIONAL FOUNDATION

The Woodland Educational Foundation is a nonprofit organization working to support teachers and students by providing funding to bring innovative projects, programs, and supplemental learning materials to the classroom. The 501C (3) organization consists of dedicated volunteers looking to enhance the educational opportunities available to the Woodland learning community.

Mission

To creatively generate and distribute resources with which to enrich and enhance the opportunities and educational experiences of Woodland Community Consolidated School District #50 students in pursuit of “Learning...to Find Solutions”.

Purpose

- Enrich the curriculum of the District and provide innovative academic and extra-curricular learning opportunities for the District’s children
- Provide students with opportunities they would not otherwise be privileged to experience
- Affirm members of the staff as Lifelong Learners by enhancing their array of professional development opportunities
- Assist in maintaining at the District the highest standards for programs, resources and facilities
- Encourage the active involvement and collaboration of parents, teachers, alumni and community leaders in the process of educating the District’s children
- Develop links among business, government, civic and community organizations that will enhance community support of the District’s educational and charitable activities

How is the Money Used?

The primary focus of our foundation is to provide grants directly to teachers. These grants are designed to support innovative teaching methods, purchase necessary classroom resources, and fund educational projects that go beyond traditional curriculum constraints. Your donation directly fuels these grants, enabling teachers to realize their creative visions and engage students in meaningful learning experiences.
